

**BloodHorse.com's "Race of the Week" Analysis
by Cary Fotias**

September 6, 2008

**Arlington Park
Arlington-Washington Lassie S. (gr. III) and Race 6**

**Belmont Park
Races 6 and 7**

Arlington Park

Race 8, \$150,000 Arlington-Washington Lassie S., 2yo fillies, one mile, all-weather

This grade III for 2 year old fillies at one mile is a great betting affair. I will key off (#12) **Afleet Deceit**. I doubt we'll get the 12-1 ML, but this filly would be good value at half that price. She ran a 71/72 Compression Line (COMP) in her first race while making up 9 lengths in the final furlong and is bred for the stretch-out.

Broadway Hennessy (#3) and (#6) **Phola** are also on good Equiform pattern lines. Jerry Hollendorfer ships to the Midwest with Broadway Hennessy and brings along Russell Baze. Todd Pletcher has two horses entered but leading rider Rene Douglass opts for Phola.

The play –

Bet Afleet Deceit to win and place.

Exacta box 3,6,12

Arlington Park

Race 6, \$30,500 allowance, 1 1/16 miles, 3yos and up, fillies and mares, turf

Geeg (#2) should offer value in this turf route. She is 8-1 on the ML and is coming off a Turf Decline Line (TDL), which is notated on Line 6 of The Shorts. She should run a new final top on Saturday and that should put her in the hunt for top honors.

The play –

Geeg to win and place

Exacta Boxes	1/2 and 2/5
Small trifecta box	1,2,5
Trifectas	1,5/ All /2

Belmont Park

Race 6, \$25,000 Claiming, 3yos and up, one mile, dirt

Wonforthe goodguys has finished 7th and 5th in his last two starts, but now drops back to the level of the claim off a New Pace Top (NPT). The value should be there.

The play –

Bet Wonforthe goodguys to win and place

Belmont Park,

Race 7, \$48,000 starter handicap, 3yos and up, seven furlongs, dirt

Wolfson looks solid off the New Pace Top (NPT)

The play –

Bet Wolfson to win at 5-2 or better

Box Wolfson in exactas with ARRRRR and Felinefelon (NPT)

Thank you for your interest in BloodHorse.com's "Race of the Week." On the following pages, you'll find the Equiform ratings for Races 6 and 8 at Arlington Park and Races 6 and 7 at Belmont Park. The first set of information is called "The Shorts." Its condensed format is typically easier for novice handicappers and people new to Equiform to read. Following "The Shorts" is the same information in a different format, called "The Xtras," which simply a different format to view the same numbers shown in "The Shorts." Some handicappers find "The Xtras" format easier to read. For more information about Equiform system and for legends and pattern guides, click here or go to www.bloodhorse.com/equiform/.
