

**BloodHorse.com's "Race of the Week" Analysis
by Cary Fotias**

September 27, 2008

**Oak Tree at Santa Anita
Ancient Title Stakes (gr. I)**

Race 11

We had another good week at Equiform last Saturday. We went 3/3 with My Pal Charley paying \$15.00 in the Super Derby, Seattle Smooth returning \$8.40 in the Cotillion, and Kid Gusto clicking for \$12.80 in the maiden race at Arlington.

With our revolutionary Pattern Scan (available on The SHORTS), it was easy to find My Pal Charley and Kid Gusto as they were both off New Pace Tops (NPT). Horses like these, on Equiform pattern lines, with competitive final numbers are always worth a play as long as the price is right.

BloodHorse.com and Equiform have teamed up to make both The Xtras and The Shorts for select tracks available for purchase on the BloodHorse.com site. Do yourself a favor and try these products for yourself. We truly believe if you take the time to learn how to use the Xtras and Shorts, both your understanding of the game and your bottom line will improve considerably.

Now, on to this week's plays —

There will be a million dollar guaranteed Pick 6 pool on Saturday at Santa Anita. We'll try to get you off on the good foot in the opening leg, and then try to finish the deal in the finale.

Race 6, Ancient Title, \$250,000, 3yos and up, six furlongs, all-weather

Street Boss has been a win machine this year and has captured two grade Is.

As the probable favorite Saturday, he might not deserve a win bet even though he is off a soft win (SOFT). If Street Boss is under 8-5, forget the win bet, but key him 1st and 2nd (more on top) in exactas and trifectas with **Idiot Proof, In Summation, Esperamos, and Cost of Freedom.**

Race 11, \$64,000 Maiden Special Weight, 2yo fillies, six furlongs, all-weather

Both Hot **Summer Breeze** (HSB) and **Donttellmewhattodo** (D) are off Compression (COMP) lines. Kathy Walsh, trainer of Hot Summer Breeze excels with 2 year olds and short layoff horses. Bet the longer priced horse to win and box both in the exacta. Also box both in trifectas with the field.

So here are the trifectas:

HSB/D/All
HSB/ALL/D
All/HSB/D

Good luck and see you next week.

Thank you for your interest in BloodHorse.com's "Race of the Week." On the following pages, you'll find the Equiform ratings for Races 6 and 11 at the Oak Tree at Santa Anita meet. The first set of information is called "The Shorts." Its condensed format is typically easier for novice handicappers and people new to Equiform to read. Following "The Shorts" is the same information in a different format, called "The Xtras," which simply a different format to view the same numbers shown in "The Shorts." Some handicappers find "The Xtras" format easier to read. For more information about Equiform system and for legends and pattern guides, click here or go to www.bloodhorse.com/equiform/.
