

NTRA Safety and Integrity Alliance
Executive Director

The NTRA Safety and Integrity Alliance (the Alliance) seeks a full-time executive director to manage multiple projects and secure broad-based, stakeholder support for Alliance initiatives in the areas of equine and human safety and industry integrity.

Minimum Qualifications

- 10 years' management experience in the horse racing industry, preferably Thoroughbred racing
- Bachelor's degree, with preference for advanced degree/graduate study

Key Proficiencies

- Familiarity with the regulatory system for horse racing
- Legislative advocacy
- Demonstrated knowledge of issues pertaining to equine drug testing, racetrack management, equine health and welfare, jockey safety and animal rights/welfare
- Excellent fundraising skills
- Proven leadership and consensus-building within the horse racing industry

Primary Duties

- Successful candidate will: secure funding for Alliance initiatives such as an equine research endowment; communicate with industry stakeholders, consumers, regulators and legislators regarding Alliance programs and initiatives; work cooperatively with the Alliance's independent monitor to ensure Member compliance with Alliance programs and develop policies and procedures for Alliance certification; develop systematic programs for research data development, consolidation, interpretation and reporting; represent the Alliance at industry gatherings and interface regularly with stakeholder groups; broaden financial and Member support for the Alliance; advocate at state and local level for Alliance programs and initiatives.

Special Requirements

- Job requires up to 50% travel time and extended hours (i.e., evenings, weekends)
- Candidate must be proficient in technologies that support remote business applications
- Willingness to relocate to Lexington, KY
- Demonstrated public speaking skills

Supervisor

- NTRA President and CEO

Compensation/Benefits

- Salary, bonus and incentive compensation commensurate with job experience, skills and education
- Medical, Dental, Life and AD&D, 401(k)
