Newcomers

June 28-July 6

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, † indicates a sire represented by his first crop of 2-year-olds, ‡ indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

August 2-10

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers August 10-16

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, † indicates a sire represented by his first crop of 2-year-olds, ‡ indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

August 16-23

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, † indicates a sire represented by his first crop of 2-year-olds, ‡ indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

September 6-13

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, † indicates a sire represented by his first crop of 2-year-olds, ‡ indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers September 20-27

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, † indicates a sire represented by his first crop of 2-year-olds, ‡ indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

Sept 27-Oct 4

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

October 4-11

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

October 11-18

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

Oct 25-Nov 1

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

November 8-15

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers November 22-29

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

Nov 29-Dec 6

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

December 6-14

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers December 14-20

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.

Newcomers

Dec 20-31

Listed alphabetically are sires of 2-year-olds which recently won their first race. Included are 2-year-olds which won at a North American racetrack and foreign 2-year-old winners by North American stallions. T indicates turf, * indicates first start, ¶ indicates a sire represented by his first crop of 2-year-olds, † indicates a filly. Following the sire and dam is the name of the winner, number of named foals in the sire's current 2-year-old crop, number of winners (both North American and in foreign countries), track where the race was won, date, distance and time of the race, auction information, and the breeder's name.
