Fair Grounds Race 3

4 and 5 Year Olds, Maiden Special Weight, 5 1/2 furlongs, dirt

LUCKY ALEC (Race 3) Afternoon Deelites colt is a half-brother to Fass Feat, a stakes winner of \$267K who won his first four starts for these same connections. His other sibling, full sister Missy's Deelite, was also an early winner. Lucky Alec has not missed a beat in his training since early December. He was asked for speed in his Jan. 18 drill and responded by working in :47 4/5 from the gate. That was the best of 63 works that morning. Colt will debut on Lasix for Emile Schwandt who is one of the best in the region with 1st time starters. He has won with 4 of his last 9 first timers in maiden special company. Lucky Alec's two main contenders both come off debuts in which they got very weary in the stretch. This nicely bred colt is the one to beat. Miguel Mena will take the call.
